ASSISTANT SECRETARY TO GOVERNMENT
PUBLIC WORKS DEPARTMENT

This has been a long standing complaint in Mangalore. Want of electric lights does cause real inconvenience to the passengers reaching Mangalore at night by the mail train. Dewan Bahadur Shetty, rms 11.6.47

Please excuse me M (P.H.)

knowing you are a certain matter

you are aware that here

by 8 p.m. here is still not electrified,

with the result that the passengers

are very much inconvenienced,

particularly during the Rainy

Season, as the train arrives

late in the night & appears

that during your annual

here the other day, the large
number of persons who came
to receive you were very
much touched. The photo-van
lessons are limited only have
an hour in advance owing
to economy. You may imagine
the trouble which the people
are put to. After all, the Power
House is worth 100 yrs from
the Railway Station

I should think that the

I ascertained from the Station-master, Mangalore, that three additional (400 C.P.) petromax lights have not been received at the Station. It is said in the letter read above that arrangements have already been made to provide them. But I am here to say that arrangements have not been made. The passengers are groping in the dark. This is the way the Railway is respecting Government instructions.

Yours truly,

Please see the letter referred to above at pp1-4 c.f. and the minutes of H.M.(P.H.) and H.M.(P.W.) at p.1 c.

The question in the above letter (at pp 1-4 c.f) pp1-4 CF relates to the electrification of the Mangalore Railway Station.

On a previous occasion (in Jan' 47) when H.M.(Prohibition) p1 CF q (P) - Om No 425 F-472 - 17.3.47 (ex-H.M.(L.A.) visited Mangalore, ~~the station was found~~ he was informed that the station was ~~to be~~ completely in darkness except for a few points of glimmering light here and there. The question of electrification of the station was thereupon taken up with the G.M., S.I.Rly. pp3-4 CF q (P) He reported that the work could not be ~~xxx~~ taken up immediately owing to shortage of funds, that it would p5 CF q (P) be taken up for execution during 1947-48 if funds became available, and that pending electrification of the station, p7 CF q (P) arrangements had been made to provide 3 additional (400 c.p.) Petromax lights at the station. No further action was taken in the matter. In the circumstances stated, no further action seems necessary and, ~~In the circumstance it is for orders if~~ ~~Bahadur Sri M.Giriappa~~ for orders if Rao Bahadur Giriappa may be informed of the position.
